Christian art table

OLDER CHILDREN TO ADULTS / 30 MINUTES

PHILIPPIANS 4:8

Choose one work of Christian art, sacred architecture, hymn, or historical symbol. Look or listen silently for two full minutes before anyone explains it.

1

LOOK

What do you notice first? What did you notice only after waiting?

2

NAME

What Scripture, doctrine, person, or event does the work recall?

3

DISCERN

What does the artist emphasize? What is left quiet or unseen?

4

MAKE

Copy one line, shape, phrase, rhythm, or symbol. Why did it matter?

TABLE PRACTICE

Let each person speak without interruption. End by asking: What did this work train our attention to love?
