Creation walk and wonder book

EVERY AGE / 20-60 MINUTES

PSALM 19:1

Walk slowly. Notice five things. Sketch one. Ask one honest question. End by naming one way your household can care for what God has made.

I NOTICED

Draw or describe one detail you might usually miss.

I HEARD

Record the quietest and loudest sounds.

I WONDERED

Write a question worth exploring later.

WE CAN CARE

Choose one act of stewardship for this place.

BRING

Notebook or this page, pencil, small envelope, and weather-appropriate clothing. Leave living things where they belong; collect only what is lawful and responsible.
