WHAT THEY SAID WOULD GENUINELY HELP

ALLERGIES, RESTRICTIONS, TIMING, OR PRIVACY NEEDS

Prepare together

- [ ] Choose only useful items
- [ ] Include a handwritten note
- [ ] Give each family member one real task
- [ ] Protect the recipient's privacy
- [ ] Plan one follow-up after delivery

Write the note

Keep it simple, specific, and free of pressure. Do not turn the recipient into a project or ask for public gratitude.

DEAR

AFTERWARD

Ask privately: Was it useful? Is there one appropriate way we can continue to show up? Record only what is necessary, and never share someone else's story without permission.
